

ES – declaration of conformity

In accordance with Act No. 22/1997 Coll. and with Decree of the Government of the Czech Republic No. 190/2002 Coll., § 5a, the producer **SERVIS CLIMAX s.r.o.** (Ltd.), Company ID: 25352628 declares on its own exclusive responsibility that the products:

Insect screens

are subject to the evaluation and on the basis of the evaluation this declaration is issued.

Evaluation No. HSZ – 06 – 15/OV for these products was issued by the company of the Centre of Building Construction, Engineering, workplace in Zlín, authorized person 212, on 4 May 2007.

Description and purpose of use: Insect screens are the most effective natural protection against troublesome insects. The net is made of plastic-coated glass-fibre which is not subject to corrosion and weathers well temperature differences. The frame is made of aluminium. Although their function is mainly practical, thanks to their modern design they are becoming an elegant accessory of windows and doors.

The confirmation of the producer that the properties of the products match the basic requirements according to this decree, or the requirements of other technical regulations. Under the conditions of standard use the products are safe and we took measures by which we secure the conformity of the products placed on the market with the technical documentation and with the requirements according to EN 13561, Annex ZA.
